## 2) NEW TTT LOGISTICS DIVISION:

In a 50-50 Joint venture with P.R.I.M.E., Corp. of California, TTT offers the following Value-Added Logistics Services to US/International client companies of all sizes:

- \* Access to the PRIME International Trade and Transportation Center in Shafter/California, midway between the major hubs of Los Angeles/Long Beach and San Francisco/Oakland and near the oil hub of Bakersfield
- \* Vertically integrated center focused on needs of US and International Small to Medium Size Enterprises (SME) serving the US and/or international markets through services including, but not limited to:
  - customs clearing (duties, taxes)
  - brokerage/freight forwarding (container/cargo)
  - warehousing with automated tracking/inventory
  - value added distribution
  - sales/marketing strategy/execution including strong e-commerce component
  - foreign exchange
  - limited assembly/repair
  - Export Trading Companies
  - quality control inspection
- \* Satellite Foreign Trade Zone, FTC Los Angeles District 202
- \* Close coordination with the California Integrated Logistics Center inland multimodal freight hub
- \* International Training and Business Incubation Center
- \* Close cooperation with the US Department of Commerce and Kern County Economic Development Corporation

The TTT Logistics Division also will develop similar Vertically Integrated Logistics Centers in joint venture with local logistics leaders in major international hub cities in Europe, Latin America, Africa and Asia Pacific, in part to process the significant logistics needs generated by TTT Industrial Parks in those regions.
