3) NEW TTT AGRICULTURAL COMMODITIES TRADING COMPANY:

Many TTT Industrial Parks in development in Latin America, SE Europe, Africa and China/India are focused on Biofuels and Agricultural/Food Processing. This generates significant additional flows of agricultural commodities in the TTT systems. In 50-50 joint venture with IRAF Sarl of West Africa, TTT AGRICULTURAL COMMODITIES TRADING COMPANY will help structure sophisticated Agricultural Futures/Options/Hedging Contracts for these periodic and large volume transactions for trading on global commodities exchanges such as the Chicago Board of Trade/Chicago Mercantile Exchange, NYMEX, London International Mercantile Exchange, etc.
