#### 2) NEW TTT PROJECT INVESTMENT MECHANISMS:

##### A) TTT MUTUAL FUNDS: TTT has structured 4 Private Investment Partnerships based on the Mutual Fund model:

- TTT Africa Mutual Fund
- TTT Emerging Europe Mutual Fund
- TTT Emerging Asia Mutual Fund
- TTT Latin America Mutual Fund

Each Fund is targeting private and institutional investors in the US, European Union and Japan interested in making medium term investments into emerging markets. Each Fund is minimizing risk by creating a 4 Tier Investment Portfolio:

- Tiers 1/2: shares of publicly traded Fortune 500 firms already operating in the emerging region and in the TTT sectors of specialization
- Tiers 3/4: projects from TTT ISP's meeting TTT's Project Investment Guidelines

Draft Prospectus available upon request.

##### B) TTT ADVANCED FINANCIAL STUDIES INSTITUTES: Business Plans submitted by new Industrial Sector Partners often have major financial analysis/other gaps to reach investment grade level. To remedy this, TTT is assisting as needed with setup of regional Advanced Financial Studies Institutes, where TTT ISP's can go for help in using 30 major financial engineering/project structuring tools to improve their Business Plans. The first one is focused on CENTRAL & SOUTHEASTERN EUROPE, and located in Bucharest/Romania.
